Hatzalah of Houston · demo

Sample document

This is a placeholder document used by the demo. In the real app this would be the member's certification card, a checklist photo, or one of the organization's own documents (SOPs, radio guide, policies).

Sample data — nothing here is real.

Page 2

Documents open in the app's own viewer, work offline once saved, and can be shared or printed from here.

Sample data — nothing here is real.
